

Below is a list of the specific record series that particular local government agencies have been granted approval from Washington State Archives for the early destruction of paper source records after digitization in accordance with Chapter 434-663 WAC.

These agencies may destroy the paper source records after digitization in accordance with DAN GS2010-017 and GS50-09-14 in the *Local Government Common Records Retention Schedule (CORE)*, provided that the digitized images are retained for the minimum retention period for the particular records series.

Disposition Authority Numbers (DAN) denoted with an asterisk (*) indicate that approval is conditional on appraisal of the paper source records by Washington State Archives prior to any destruction.

For further information, please contact Washington State Archives at recordsmanagement@sos.wa.gov.
