YOUR OFFICIAL STATE OF WASHINGTON VOTERS PAMPHLET

STATE GENERAL ELECTION
NOVEMBER 8, 1960

Published By Victor A. Meyers, Secretary of State
Dedication

Starting with the year 1914, the office of the Secretary of State has been directed by the state constitution to issue an official Voters' Pamphlet containing the text of state measures to be voted upon at each state general election. The executing statutes carefully spelled out the dimensions, size of type and even the quality of paper to be used (newsprint). Such legal restrictions made it impossible to present a pamphlet that could best serve the voters.

The League of Women Voters of Washington, sensing the inadequacies of the state pamphlet, filled the void in recent years by issuing a non-partisan publication of its own. Because of the costs involved, the League could not send its pamphlet to every voter. It became apparent that the only answer was to convince the Legislature that the state's version should be improved to the extent that the League's edition would be no longer necessary.

As a consequence, the 1959 Legislature approved House Bill No. 599 that completely revamped the format of the Voters' Pamphlet. Credit must be given to the House Committee on Constitution, Elections and Apportionment in which the legislation originated. Said Committee consisted of the following State Representatives:

- Mike McCormack, Chairman
- John B. Speer, Vice-Chairman
- Horace W. Bozarth
- Frank Brouillet
- Keith H. Campbell
- Damon R. Canfield
- Paul Conner
- Clayton Farrington
- Slade Gorton
- Elmer C. Huntley
- Joel M. Pritchard
- Wes C. Uhlman

However, in view of the original planning, untiring efforts and the prestige of their organization support, I am certain no member of the Legislature will feel slighted by the dedication of the first modernized edition of this pamphlet to the League of Women Voters of Washington.

The record of elections held in the State of Washington reveals that several major offices have been won by extremely close margins. One or two additional votes cast in each precinct could have changed the results of these close contests. For this reason alone, every citizen should realize that his vote is important.

Any voter who will be away from home on the day of the election—or is so physically handicapped that he (or she) cannot vote in person should apply now for an absentee ballot. Any signed request containing the necessary information will be honored. For your convenience, a model application is reproduced below.

Our absentee voting procedure has been greatly simplified in that it is no longer necessary to mark your ballot in the presence of a notary public. All that is required is for the absentee voter to sign the affidavit which is printed upon the envelope used to mail back the marked ballot. In fact it is easier to vote an absentee ballot than to go to the polls!

In order to be certain that the voter's application is authentic, our laws require that the signature upon the application must compare favorably to the signature on the voter's permanent registration record. For this reason, a voter who resides within a city precinct should understand that his application for an absentee ballot must be sent to his city clerk even though the request is for a state general election absentee ballot. The city clerk, after approving the application, will then forward the request on to the appropriate county auditor who is the election officer who actually issues and receives absentee ballots for all state elections.

Apply Now for an Absentee Ballot If You Cannot Vote in Person.

NEW VOTERS' PAMPHLET

A few of the changes in this new edition of the Voters' Pamphlet are self-evident. Both the dimensions of the pamphlet and the size of the type are much larger than before. In addition, sets of maps showing the Congressional and Legislative districts in detail have been added.

Your attention is also called to the fact that there is now one official argument for and one official argument against each measure. In previous years, there was no assurance that arguments would appear giving both sides of each proposition. Persons or organizations wishing to have arguments appear in the pamphlet formerly had to purchase the space, and since the cost was approximately $750 per page, many of the measures had only arguments supporting one side of the question. Persons wanting to present counter arguments simply did not have the funds to purchase space.

The new law (Chapter 329, Laws of 1959) provides that the presiding officer of the State Senate, the presiding officer of the House of Representatives and the Secretary of State shall together appoint two persons known to favor a measure to compose the argument in its favor. The same officials are also required to appoint two persons known to have opposed a measure to write the argument against. Such committees, if they wish, can appoint up to as many as five additional persons to serve as advisory committee members. There is no charge for printing these official arguments and all committee members serve without receiving any compensation. It is no longer possible to purchase space in the pamphlet for the printing of arguments.

Another new feature is that the Attorney General is required to write a brief explanatory statement for each measure. Such statement is to be in "clear and concise language and shall avoid the use of legal and other technical terms insofar as possible." The statement consists of two parts: First, an explanation of the law as it now exists; second, the effect of the proposed measure should it be approved into law. Such explanatory statements are subject to court review before being printed in the pamphlet.

All of these changes were made with one thought in mind: To give you, as a voter, a more informative and worth-while pamphlet. It is our hope that this modernized edition meets with your approval.

EXTRA COPIES AVAILABLE

If any public spirited citizens or organizations wish to obtain extra copies of the Voters' Pamphlet, they are available without charge. The pamphlets can be obtained locally at the offices of each city clerk and county auditor throughout the state. A supply has also been sent to each public library for public distribution.

In addition, copies can be obtained by writing directly to the Secretary of State at Olympia. All requests will receive prompt attention.

*OFFICIAL BALLOT TITLE*

AUTHORIZING TAVERN SPIRITUOUS LIQUOR LICENSES

AN ACT Relating to spirituous liquor licenses, making taverns eligible for a new class of license allowing the sale of spirituous liquors including mixed drinks and cocktails, providing for regulation, fees and disbursements thereunder.

* As issued by John J. O'Connell, Attorney General.

OFFICIAL ARGUMENT FOR INITIATIVE MEASURE NO. 205

What is Initiative No. 205?
It will permit licensed taverns of the state to sell mixed drinks and cocktails in their establishments.

What Will It Do?
1. It will allow equal opportunity to all citizens, especially the workingman, to purchase mixed drinks and cocktails in places of their choice.
2. Taverns are the ONLY licensed premises where minors are not allowed.
3. Initiative 205 will modernize our laws and make them comparable with our neighboring states.
4. A modern liquor law will greatly benefit the tourist industry in the State of Washington.
5. The additional license fees will be used for medical research.
6. It will create jobs within the taverns, as well as jobs for allied industries in improving and modernizing tavern facilities for the benefit of the community.

INITIATIVE 205 WILL INCREASE STATE REVENUE WITHOUT ADDITIONAL INDIVIDUAL TAX BURDENS.

EXPLANATORY COMMENT ISSUED BY THE ATTORNEY GENERAL AS REQUIRED BY LAW

THE LAW AS IT NOW EXISTS:

Under the present law, spiritous liquor (other than wine and beer) may be sold by the drink only by retail establishments having "Class H" liquor licenses. The present law specifically limits the issuance of "Class H" licenses to bona fide restaurants, hotels and clubs and to dining, club and buffet cars on passenger trains, and to dining places on passenger boats and airplanes, and to certain other establishments operated and maintained primarily for the benefit of tourists, vacationers and travelers.

EFFECT OF INITIATIVE MEASURE NO. 205 IF APPROVED INTO LAW:

The passage of this act would make taverns (which under the present law may sell only wine and beer at retail by the drink) also eligible to sell, by the drink, other spiritous liquors, including mixed drinks and cocktails. This is to be accomplished by making taverns eligible for a new class of "liquor by the drink" license, to be known as the "Class T" license.

NOTE: Complete text of Initiative Measure No. 205 appears on Page 20.

OFFICIAL ARGUMENT AGAINST INITIATIVE NO. 205

WHAT IS INITIATIVE 205?

It is an act to legalize sale of hard liquor by-the-drink in taverns.

WHY YOU SHOULD VOTE AGAINST INITIATIVE 205!

(1) If Initiative 205 should pass, additional licenses allowing hard liquor by-the-drink could immediately be issued to raise the total to 4,040 outlets as compared to 828. This would allow the establishment of 1 bar for every 699 men, women and children in the State, compared to 1 cocktail lounge for each 3,411 residents as of June 30, 1960.

(2) It would set up a new class of hard liquor by-the-drink places with special privileges and without the safeguards and restrictions the voters put into the present law, such as the requirement of food service, restriction on location and others.

(3) Initiative 205 would legalize sale of hard liquor by-the-drink in taverns, many of which are located in rural areas, and in areas which are primarily residential, some near schools and churches, some along dangerous stretches of highway, thereby creating law enforcement problems and endangering public safety.

(4) It would create conditions comparable to or worse than those in the old saloons which people of Washington said by law should never be returned to our state.

CIVIL SERVICE FOR STATE EMPLOYEES

AN ACT, Entitled "The State Civil Service Law," relating to state government; establishing a civil service system for state employees; defining employees included and excluded; providing that appointments and promotions in the classified civil service shall be based solely on merit and fitness; governing appointment, promotion, transfer, layoff, recruitment, retention, classification and pay plan, removal, discipline and welfare of civil service employees, agreements regarding grievance procedures and collective negotiations, and other incidents of employment; blanketing-in certain employees; prohibiting certain activities; creating a revolving fund; abolishing existing personnel system; and repealing or amending inconsistent laws.

* As issued by John J. O'Connell, Attorney General.

---

OFFICIAL ARGUMENT FOR INITIATIVE MEASURE NO. 207

INITIATIVE 207 WILL MODERNIZE WASHINGTON STATE GOVERNMENT BY:

1. **INSURING EQUAL OPPORTUNITY** for all in getting jobs and earning promotions—special privilege for none.

2. **SAVING TAXPAYERS MONEY** by stopping wholesale political firings after election—political turnover is a hidden tax; millions are wasted.

3. **ATTRACTING COMPETENT WORKERS** for State employment—the State cannot get its fair share when there is no job tenure.

4. **BUILDING RESPONSIBLE POLITICAL PARTIES** through placing emphasis on ability of candidates and on the issues—not on promising jobs to armies of party workers; Governor will still appoint top policy makers.

5. **RECOGNIZING WORK PERFORMANCE** as the basis for keeping or firing employees—it's what you know, not who you know, that counts—and seniority in determining order of layoff due to lack of funds or work curtailment.

EXPLANATORY COMMENT ISSUED BY THE ATTORNEY GENERAL AS REQUIRED BY LAW

THE LAW AS IT NOW EXISTS:

Employees or applicants for employment in certain state agencies are now covered by a merit system governing appointments, promotions and conditions of employment. Numerous state personnel are not covered by a merit system or civil service.

EFFECT OF INITIATIVE MEASURE NO. 207 IF APPROVED INTO LAW:

The passage of this act would establish a civil service program for employees or applicants for employment in state government whereby employment is governed by merit principles and scientific methods.

Generally, the act will cover all state employees except persons employed in the judicial branch of government, elected officials, officers of the Washington state patrol, assistant attorneys general, military personnel, temporary personnel, employees in the state printing plant, the chief executive officers of each agency, administrative assistants, confidential secretaries, and a few other similar positions named.

Don't Vote to CRIPPLE State Government—Vote AGAINST Initiative Measure No. 207

1. NOT ALL CIVIL SERVICE LAWS ARE GOOD CIVIL SERVICE LAWS.
   A. Why did the National Civil Service League refuse to approve Initiative Measure No. 207?
   B. Why are substantial groups and departments exempted by Initiative Measure No. 207?
   C. Why should seniority in a job be the only reason for advancement?

2. Proponents say Initiative Measure No. 207 insures equal opportunity . . . but for whom? Initiative Measure 207 immediately insures the jobs of those presently employed . . . who are the ones who prepared and circulated Initiative Measure No. 207 petitions?

3. What does Civil Service do to the efficiency of a worker if he cannot be removed or even suspended from his position without lengthy, complicated and expensive legal proceedings?

4. You, the voter, dictate the policies of state government . . . can your will be carried out if elected officials are powerless to choose or direct their own employees?

5. Enactment of Initiative Measure No. 207 would destroy collective bargaining.

AUTHORIZING JOINT TENANCIES IN PROPERTY

AN ACT Relating to property; authorizing joint tenancies in real and personal property with common law incidents of survivorship and severability; allowing property rights of a deceased joint tenant to pass immediately upon death to the surviving joint tenant; prescribing methods and requirements for the creation of joint tenancies; providing that the transfer of property to surviving joint tenants shall not derogate from the rights of creditors; and repealing existing laws which abolished the right of survivorship as an incident of joint tenancies or tenancy by the entireties.

J. Henry Helser & Co., Investment Managers (resident offices in principal Pacific Coast cities) states:

"Joint tenancy is recognized in most other states and we believe the proposed act is a step forward in eliminating the confusion that exists."

EXPLANATORY COMMENT ISSUED BY THE ATTORNEY GENERAL AS REQUIRED BY LAW

THE LAW AS IT NOW EXISTS:

A joint tenancy is a form of ownership of property by two or more persons, a principal feature of which is that upon the death of one of the co-owners, the property is then owned solely by the surviving co-owner or owners.

Under present law, joint tenancies are not authorized in this state except in the case of money deposited with certain banks, savings and loan associations, and credit unions, or invested in United States Savings Bonds under certain conditions. In addition, a form of co-ownership of property similar to joint tenancy is presently authorized between a husband and wife. A husband and wife may presently make an agreement respecting their community property whereby such property becomes the separate property of the survivor upon the death of either spouse.

EFFECT OF INITIATIVE MEASURE NO. 208 IF APPROVED INTO LAW:

The act would authorize any two or more persons to become co-owners of any kind of property as joint tenants with rights of survivorship, upon the conveyance of such property to them by a proper written instrument declaring the ownership to be a joint tenancy. Then, upon the death of any one or more, but less than all of the co-owners, the property held in joint tenancy would become owned by the surviving co-owner or owners.

NOTE: Complete text of Initiative Measure No. 208 starts on Page 26.

OFFICIAL ARGUMENT AGAINST INITIATIVE MEASURE NO. 208

1. This initiative is the biggest threat to its extremely progressive community property laws the state has ever faced. It will destroy rights of women, and through them impair rights of children. Community property and joint tenancy are incompatible. No informed woman could reasonably favor the proposal.

2. The law is not needed. Husbands and wives can do everything under present laws that this act proposes to do, without the hazards involved in this act. (See explanation under “The Law as it Now Exists” at top of this page.)

3. The law will increase taxes for most people. A tax advantage now enjoyed by husbands and wives under our community property laws will be lost.

4. This initiative is a dangerously deceptive proposal. It will not “stop probate” as its sponsors claim. Not a single state in the United States has stopped probate, with or without joint tenancy.

5. Despite claims by sponsors, 46 other states do NOT have joint tenancy laws similar to this law. Not a single state has a law in such language.

6. Four kinds of research experts: (1) law school teachers, (2) title company men, (3) lawyers, and (4) trust company men have studied the proposed law. Each group of experts says the same thing—this is a bad law which cannot do what its sponsors say it will do. Instead, it will damage and destroy property rights of great value to millions of people in this state.

OR HERE?

JUST THINK OF THE ADVANTAGES of an extra hour of daylight at the active end of your day. Enjoy the gracious outdoor living offered by our wonderful State—swimming, boating, fishing, golf, after-work picnics, or perhaps a relaxing ride with the family really seeing our wondrous scenery. Dad will even have extra time to play or enjoy outdoor hobbies with the children, or get EXTRA yard work done. Just think, 154 more hours of daylight each year (an extra two-week vacation) with daylight saving time.

WASHINGTON STATE, AND YOU, WILL BENEFIT by a general increase in business. An extra hour of sun is an extra hour of fun for the tourist, and this means more tourist dollars for MOST communities. AND, our State, without daylight saving time, is limited to only four hours to do business with New York and the East, and this affects ALL business in the long run. Let's get in step with the rest of the nation. California and British Columbia have daylight saving, and Oregon is voting to adopt it this election.

**OFFICIAL ARGUMENT FOR INITIATIVE MEASURE NO. 25**

**INITIATIVE 25 ASKS THAT:** 3% of the 255,000 sq. miles of the Columbia River Watershed be reserved for Salmon and Steelhead reproduction by reestablishing the Sanctuary created by the Legislature in 1949 (by votes of 47-1 in the Senate and 76-23 in the House). An oversight in the original bill omitted "Municipalities". Initiative 25 places Municipalities on the same basis as all others. No other portion of the existing law is changed.

**INITIATIVE 25 IS NECESSARY** to protect a 25 million dollar annual fishery. Its loss will seriously deplete the salmon fishing from Alaska to California and will destroy steelheading in lower Columbia streams. All of the existing hatcheries cannot equal the spawning potential of the Sanctuary.

**HIGH DAMS KILL FISH:** Even if the upstream spawners climb the ladders, baby fish are killed going over the spillways and through the turbines. All state and Federal fishery agencies have expressed the vital need for salmon and steelhead sanctuaries. No completely successful fish passage ways have been devised . . . even after 30 years of experimenting.

**INITIATIVE 25 WILL NOT AFFECT THE POWER POTENTIAL:** Less than 1% of the power potential is involved. There are no completed dams in the Sanctuary. None can be built whose costs of production will not exceed by more than double the ample power for sale by Bonneville Power Administration. There are at least 108 existing and proposed dams on the Columbia that will not be affected by the Initiative. And Atomic power is coming.

EXPLANATORY COMMENT ISSUED BY THE ATTORNEY GENERAL AS REQUIRED BY LAW

THE LAW AS IT NOW EXISTS:

A state law now prohibits the construction of any dam exceeding twenty-five feet in height on any tributary of the Columbia River downstream from the McNary Dam, including the Cowlitz River and its tributaries. The Washington Supreme Court has ruled that this law does not limit the power of municipal corporations authorized to engage in the power business to build such dams, and that the law is not effective when in conflict with Federal law governing the use of navigable waters.

EFFECT OF INITIATIVE MEASURE NO. 25 IF APPROVED INTO LAW:

This act, if constitutional, would expressly limit the power of any individual, private, public, or municipal corporation, and any subdivision of the state of Washington or any other state to construct, complete or operate dams exceeding twenty-five feet in height on any tributary stream of the Columbia River downstream from McNary Dam, including the Cowlitz River and its tributaries.

NOTE: Complete text of Initiative Measure No. 25 to the Legislature appears on Page 27.

OFFICIAL ARGUMENT AGAINST INITIATIVE MEASURE NO. 25

Your vote against this initiative will assure the development of new recreational areas, a fine tourist attraction, more inexpensive electric power, flood control in the lower Cowlitz valley, and a little more depth in the river for boating. By voting against No. 25 you will help put the Cowlitz River to work for all the people of our state.

Over 400 men are now at work on this project, earning payrolls which exceed $3,200,000 yearly. The people of our state, through the municipally-owned utility in Tacoma, already have invested millions of dollars to build two dams on this river between Centralia and Morton. One dam, which will cost over $37,000,000, is almost 70 per cent completed. Contracts have been signed to complete it. None of the costs come from taxes.

Acting in good faith, the people of Tacoma began building these dams in 1955. The United States Supreme Court has ruled twice that the City has a legal right to complete the dams. The Federal Power Commission of the United States, after exhaustive studies and hearings, has determined that the construction of the Cowlitz dams is the best development of the river for all purposes.

A new state park and other recreational facilities for camping, boating, picnicking, swimming and fishing are planned around the lake which will be formed behind the dam now being finished. This lake will be more than 13 miles long. Both dams will provide fine tourist attractions on the route from US 99 to Chinook and White Passes and to Mount Rainier.

Flood control will be established below the dams.

Protection of the fisheries resource is a foremost feature of the Cowlitz project. Tacoma is building a modern hatchery for the Game Department near Mossyrock. This replaces an obsolete hatchery. Federal and state fisheries agencies have approved the functional designs for facilities to get fish past the dams on their way up and down the river.

We Need BOTH Fish and Power.

OFFICIAL BALLOT TITLE

Senate Joint Resolution No. 4

OWNERSHIP OF LAND BY ALIENS

Shall the constitutional restriction upon the ownership of land in the State of Washington by aliens be removed by repealing Section 33, Article II as amended by Amendments 24 and 29 of the State Constitution?

* As issued by John J. O'Connell, Attorney General.

Vote cast by 1959 Legislature on final passage of Senate Joint Resolution No. 4:

STATE SENATE: 49 Members—43 Yeas; 0 Nays; 6 Absent not voting.

HOUSE OF REPRESENTATIVES: 99 Members—91 Yeas; 2 Nays; 6 Absent not voting.

OFFICIAL ARGUMENT FOR SENATE JOINT RESOLUTION NO. 4

WHAT IS SJR No. 4? It is a resolution passed almost unanimously by our State Legislature to repeal discriminatory practices pertaining to land ownership.

WHAT WILL A "YES" VOTE ON SJR No. 4 DO? It will stop discrimination against alien residents and will allow our people in Washington to own land. Presently, foreign corporations (such as those from Cuba) can own land in Washington, but residents aliens who have lived and raised families here for many years cannot.

WHO SUPPORTS A "YES" VOTE ON SJR No. 4?

1. Government leaders in Washington of both political parties; Senators Warren G. Magnuson and Henry M. Jackson; Congressmen Walt Horan, Thor C. Tollefson, Thomas M. Pelly, Jack Westland, Don Magnuson and Congresswoman Catherine May; Governor Albert D. Rosellini; Mayors Gordon Clinton, Neal Fosseen, Ben Hanson, and many others.

2. All Western States: California, Utah, Oregon and Idaho, have already repealed similar laws.

4. Congress of the United States: Congress extended privilege of citizenship to all permanent legal residents aliens without regard to race. No more aliens "ineligible to citizenship".

WHY VOTE "YES" ON SJR No. 4?

1. It is the right thing to do. Repeal a discriminatory and outmoded law.

2. It would allow resident (English, Norwegian, or any other) alien whose sons gave their lives so that we may live, the same rights as foreign corporations.

3. It would make our law consistent with laws in other Western States.

4. It would declare to the world that the people of Washington stand for Equality, Fair Play and Justice.

VOTE FOR EQUALITY, PROGRESS AND PROSPERITY!

VOTE "YES" ON SJR No. 4.

EXPLANATORY COMMENT ISSUED BY THE ATTORNEY GENERAL AS REQUIRED BY LAW

THE LAW AS IT NOW EXISTS:

The Washington constitution now prohibits the ownership of certain land by certain aliens.

Ownership of land in this state by aliens who have not declared their intention to become United States citizens is prohibited, except where acquired by inheritance, under mortgage or in good faith in the ordinary course of justice in the collection of debts.

The prohibition does not apply to Canadian citizens of those Provinces which do not prohibit the ownership of provincial lands by citizens of Washington. In addition, the prohibition does not cover lands containing certain minerals and necessary land for mills and machinery to be used in developing those minerals and in manufacturing products from such minerals.

EFFECT OF SENATE JOINT RESOLUTION NO. 4 IF APPROVED INTO LAW:

The passage of the proposed constitutional amendment would repeal the existing constitutional prohibition on ownership of lands by aliens.

NOTE: Complete text of Senate Joint Resolution No. 4 appears on Page 28.

OFFICIAL ARGUMENT AGAINST SENATE JOINT RESOLUTION NO. 4

Land ownership is the basis of our American Heritage and should be a privilege enjoyed only by citizens of this state and nation. The framers of our State Constitution in their wisdom appreciated this fact and so incorporated the land ownership provision.

With population pressures building up all over the world and the depletion of natural resources everywhere it becomes increasingly necessary to frame a state and national policy which preserves for our citizens some security for the future.

There is a philosophy abroad in this country which says that we are a selfish people if we do not share all our material wealth with other nations. When we consider the billions in foreign aid dispersed in almost every country around the world it is hard to believe that we are selfish.

It is said that certain people are treated unjustly and are made to suffer hardships because of our alien land law. Certainly we may find such cases but they do not justify repeal which would open land ownership to people and corporations the world over.

Because of pressures which are certain to build up, the Alien Ownership Land Law can never be reinstated if once repealed.

Protect your American Heritage and preserve it for future generations.

Vote NO on Senate Joint Resolution No. 4.

COMMITTEE APPOINTED TO COMPOSE ARGUMENT AGAINST SENATE RESOLUTION NO. 4

DAVID E. McMILLAN
State Senator
Route 3, Colville

NOTE: The new state law changing the format of the Voters' Pamphlet provides that in the instance of a proposed constitutional amendment, the committee appointed to write an argument, either for or against the proposal, should consist of at least one state senator and one state representative. After exhaustive contacts were made, only State Senator David E. McMillan of the 1959 Legislature was willing to submit an argument against Senate Joint Resolution No. 4.

Section 16. In adopting or revising classification and salary schedules as set forth in section 15 the Board shall give full consideration to prevailing rates in other public employment and in private employment in this state and for this purpose shall have made periodic wage surveys with one such survey to be conducted each year prior to the convening of each regular session of the state legislature, the results of such wage survey to be forwarded with a recommended state salary schedule to the Governor and State Budget Director for their use in preparing budgets to be submitted to the succeeding legislature.

Section 17. (1) The Board, in the promulgation of rules and regulations governing suspensions for cause, shall not authorize an appointing authority to suspend an employee for more than fifteen (15) calendar days as a single penalty or more than thirty (30) calendar days in any one calendar year as an accumulation of several penalties. The Board shall require that the appointing authority give written notice to the employee not later than one day after the suspension takes effect, stating the reasons for and the duration thereof. The authority shall file a copy of the notice with the Director of Personnel.

(2) Any employee who is reduced, dismissed, suspended or demoted, after completing his probationary period of service as provided by the rules and regulations of the Board, shall have the right to appeal to the Board not later than thirty (30) days after the effective date of such action. The Board shall furnish the agency concerned with a copy of the appeal in advance of the hearing.

Section 18. Hearings on such appeals shall be open to the public, except for cases in which the Board determines there is substantial reason for not having an open hearing, or in cases where the employee so requests, and shall be informal with technical rules of evidence not applying to the proceedings except the rules of privilege recognized by law. Both the employee and his appointing agency shall be notified reasonably in advance of the hearing and may select representatives of their choosing, present and cross-examine witnesses and give evidence before the Board. Members of the Board may, and shall at the request of either party, issue subpoenas and subpoenas duces tecum. All testimony shall be on oath administered by a member of the Board. The Board shall certify to the superior court the facts of any refusal to obey a subpoena, take the oath, or testify. The court shall summarily hear the evidence on such refusal and if the evidence warrants punish such refusal in the same manner and to the same extent as for contempt committed before, or in connection with the proceedings of, the court. The Board shall prepare an official record of the hearing, including all testimony, recorded manually or by mechanical device, and exhibits; but it shall not be required to transcribe such record unless requested by the employee, who shall be furnished with a complete transcript upon payment of a reasonable charge therefor. Payment of the cost of a transcript used on appeal shall await determination of the appeal, and shall be made by the employing agency if the employee prevails.

Section 19. Within thirty (30) days after the conclusion of the hearing the Board shall make and fully record in its permanent records findings of fact, conclusions of law when the construction of a rule, regulation or statute is in question, reasons for the action taken and its order based thereon, which shall be final subject to action by the court on appeal as hereinafter provided, at the same time sending a copy of the findings, conclusions and order by registered mail to the employing agency and to the employee at his address as given at the hearing or to a representative designated by him to receive the same.

Section 20. (1) Within thirty (30) days after the recording of the order and the mailing thereof, the employee may appeal to the Superior Court of Thurston County, or in the case of an employee of an Institution of Higher Learning to the Superior Court of the County in which such institution is located, on one or more of the grounds that the order was:

(a) Founded on or contained error of law, which shall specifically include error in construction or application of any pertinent rules or regulations;

(b) Contrary to a preponderance of the evidence as disclosed by the entire record with respect to any specified finding or findings of fact;

(c) Mattered by unlawful procedure;

(d) Based on violation of any constitutional provision; or

(e) Arbitrary or capricious.

(2) Such grounds shall be stated in a written notice of appeal filed with the court, with copies thereof served on the Director of Personnel or a member of his staff or a member of the Board and on the employing agency, all within the time stated.

(3) Within thirty (30) days after service of such notice, or within such further time as the court may allow, the Board shall transmit to the court a certified transcript, with exhibits, of the hearing; but by stipulation between the employing agency and the employee the transcript may be shortened, and either party unreasonably refusing to stipulate such limitation may be ordered by the court to pay the additional cost involved. The court may require or permit subsequent corrections or additions to the transcript.

(Continued on next page)
Section 21. (1) The court shall review the hearing without a jury on the basis of the transcript and exhibits, except that in case of alleged irregularities in procedure before the Board not shown by the transcript the court may order testimony to be given thereon. The court shall upon request by either party hear oral argument and receive written briefs.

JOHN A. CHERBERG, JOHN L. O'BRIEN,
President of the Senate. Speaker of the House.

EXPLANATORY COMMENT:

All the words printed below in italics are in our State Constitution at the present time and are being taken out by this amendment.

Sec. 33, Article II (as amended): Alien Ownership. The ownership of lands by aliens, other than those who in good faith have declared their intention to become citizens of the United States, is prohibited in this state, except where acquired by inheritance, under mortgage or in good faith in the ordinary course of justice in the collection of debts; and all conveyances of lands hereafter made to any alien directly, or in trust for such alien, shall be void: Provided, That the provisions of this section shall not apply to lands containing valuable deposits of minerals, metals, iron, coal, or fire clay, and the necessary land for mills and machinery to be used in the development thereof and the manufacture of the products therefrom: And provided further, That the provisions of this section shall not apply to the citizens of such of the Provinces of the Dominion of Canada as do not expressly or by implication prohibit ownership of provincial lands by citizens of this state.
Mailing of the Voters’ Pamphlet

The mailing of the Voters’ Pamphlet has always been a difficult problem for the Secretary of State. First of all, the state constitution requires that the Secretary of State must mail each voter a copy of this pamphlet. This means that many households may receive two or more copies when one copy would have been sufficient.

In addition, state law provides that the addresses of voters must be taken from the permanent registration records on file in the office of the Secretary of State. Many voters when changing their residences do not bother to change their registration records as required by law. As a consequence, voters who do change their registration records when moving to a different residence may not only receive their copies but also copies of the pamphlet intended for the previous occupants. As you would understand, this situation is compounded when rental units are concerned.

Since the office of the Secretary of State has no authority to correct addresses as shown on the permanent registration cards, it becomes apparent that many households may receive multiple copies of the pamphlet. This is not only wasteful of taxpayers’ money but annoying to the persons concerned. Furthermore, the office of Secretary of State gets blamed for what appears to be a senseless mailing of the pamphlets.

A great deal of this waste could be eliminated if every voter would conscientiously keep his permanent registration record up-to-date by either having his registration transferred or registering anew, as the situation may require, each time he changes his place of residence. By so doing, each city clerk and county auditor would then report the changes to the Secretary of State and then all such records would accurately reflect the current mailing address of each voter.

THIS PAMPHLET IS A 100% WASHINGTON PRODUCT!

All labor involved in the printing of this pamphlet, including art work, typesetting and printing, was done by highly skilled union craftsmen who are citizens of our state, employed by three Washington printing firms.

The paper was manufactured by a Washington paper mill from trees grown in the State of Washington.
