

Main Features to use on FVRL website to promote specific components of the **Get Job Help @ Your Library** project at least once a month.

1. Full Project as used on web site on week of March 1

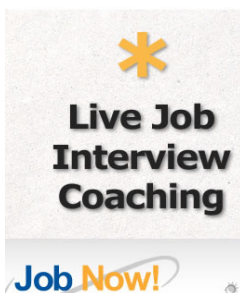

2.

[Job Lab](#)

--Free computer time for job-search activities, every Tues & Thurs. 10am-noon at Vancouver Library downstairs. Assisted by volunteers.

3.

[JobNow](#) -- available remotely 24/7 and at all library.
 -- chat with a live job coach daily from 1pm-10pm.
 -- send in resume for a confidential analysis.
 -- tips and websites for job search.

4. [Classes for resumes & cover letters.](#)
Great tips and resource on making and polishing resumes and cover letters.
Check out the [class schedule](#) to find the class at your local library.

5. [WOIS/the Career Information System](#)
-available remotely and at all library.
-in one reliable source, find out your strengths, interest and all the information you need about careers and the training required.

6. [Netbooks for job-search](#) (Jeanne is working on a sign on this)
Check out a mini computer to use for your job-search activities for 2 hours in the library with wireless access. Available at Vancouver Mall, Woodland, Stevenson, White Salmon and Goldendale libraries.

7. Working on your resumes?
Let the library be your guide with [JobNow](#) (chat with a live coach, resume review and more), WinWay Resume Deluxe (software available in all libraries), [Classess](#) (link to JobHelp event class schedule) and free computer time at our [Job Lab](#) .
