to you! Bachelor's or master's prepared professional preferred. LSW very strongly preferred.

Vibra Specialty Hospital of Portland specializes in acute care for the medically complex patient for an extended stay. Our patients are admitted on a referral basis from local hospitals. We provide progressive care for our patients as part of a care plan that will ready them for rehab, skilled nursing, or home care.

We have an outstanding wound care program, significantly higher than the national average vent weaning rates, and daily rounding and interventions by our hospitalist and specialist medical staff team. You will be excited about the potential and the possibilities of our unique, new venture! Join us!
