

Learn how to achieve your financial goals and become a savvy consumer at these free presentations:

► **Invest for College**

Get help with saving, balancing investment risks and taking advantage of the benefits of college tuition programs.

► **Invest for Retirement**

Examine the roles of stocks, bonds and mutual funds, options for the self-employed, and how to check out the background of a broker or adviser.

► **Invest in Mutual Funds**

Learn about the advantages, categories and expenses of mutual funds, and how to select a mutual fund and an investment professional or brokerage firm.

► **Prevent Investment Fraud**

Hear about the most current investment scams and frauds and how to identify, avoid and report these crimes.

Class instructor **Alicia C. Diefenbach** has vast experience as a regulator of the financial services industries, and served on the front lines of mortgage loan fraud investigation and enforcement. She has been published widely as a consumer writer and presents financial and investor education courses across the United States.
