Hi, my name is Dawn.

I'm in 6th grade and I
just moved schools.

And I also just got

- Puberty

I've been in middle school for 3
2 months and still haven't
found any friends.

I thought that Victoria
was my friend, but
after we had makeovers
she thought I was
a threat.

4 So I didn't bother anyone and
now she starts to treat me
like trash!

What the heck Aude!

Then I enrolled in the drama
club, and gained a few
kids to hang out with
like Karly and Ashley.

← Drama
kids
(dorky but
cool) →

Drama made life a lot better,
but my second real big
problem is I have stagephobia.
Or, stage fright. 5

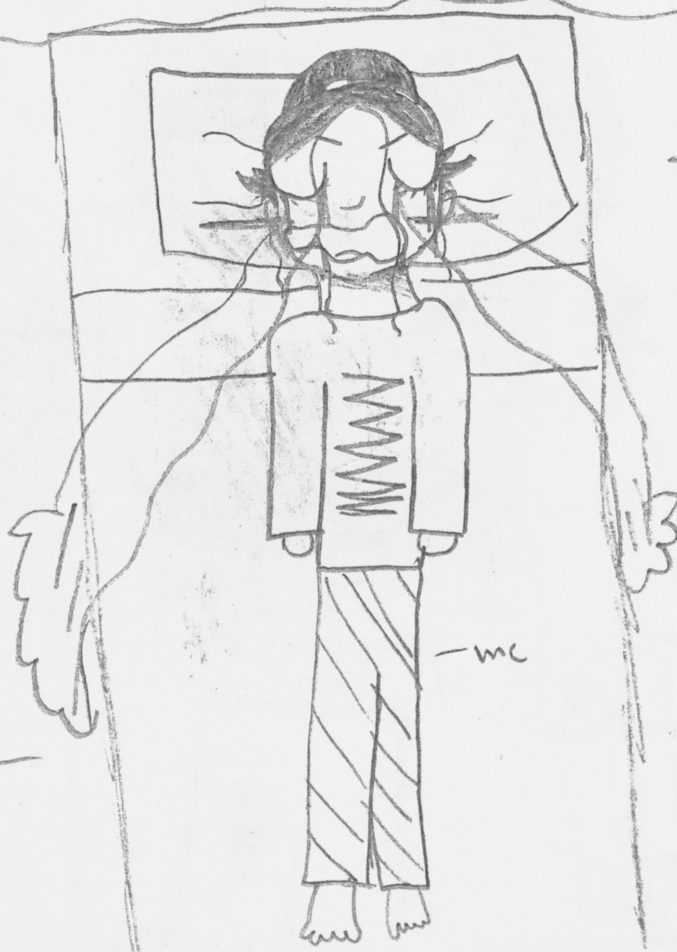

cough
cough

So you imagine that went well with the judges, I still got in, but there were only three kids.

Now I know why I didn't seem like much competition to Victoria

mom

Aright, been a few months 7
Finally got over my period
and got better socially
and dramally
(in drama).

Life is pretty much better

Alright! Let's talk about
my last problem...

Puberty

- pls no

So, I have tried everything
to ignore them, but
it's not working. BOYS.
Boys are being weird
around me.

They're being Nice.
By the way I don't
like boys. At all.

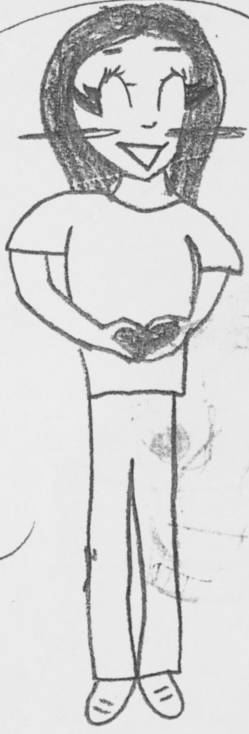

So forgot to mention somethin', but
it's abit touching for me,
I know some people think
being gay is bad,
but, I don't
care, I have
no interest
in boys.

I'm a girl who likes
other girls, and I'm
proud of it.

The End

Or is it...

Hi my name is Sonja Peterson
and I'm in 5th grade at
the school FASPS, thank,
you so much for reading.

I made this story about a girl
who had a lot of problems
at the start then slowly
solved them as she
got more confidente.

Look for the sequel
next year!
