

Journey
of
TABASCO
NINJA

By Nolan Pan

Once, in an ordinary pepper pod, in an ordinary group of pepper seeds, there lived the Seed Ninja.

One day, as the seeds were doing their regular activities, a human's hand came! Seed Ninja tried protecting the other seeds, but ended up getting picked up too!

FUN FACT:

THE MAN'S NAME WAS COLONEL MAUNSELL WHITE AND NOBODY KNOWS HOW HE GOT THE SEEDS!

Seed Ninja soon grew into Tabasco Ninja,

FUN FACT:

COLONEL GAVE MCILHENNY, HIS FRIEND, A RECIPE FOR TABASCO SAUCE AND SOME TABASCO PLANTS.

but was taken by another person!

Later, Mcilhenny decided to make the recipe Colonel gave him. He strained and squashed Tabasco Ninja!

FUN FACT:

MCILHENNY HAD TO ABANDON HIS AVERY ISLAND PLANTATION, BUT IN THE END, HE HAD ENOUGH PEPPERS TO REGROW HIS PEPPER PATCH.

AHH!!!

Tabasco Ninja (or at least

what used to be Tabasco

Ninja) was getting mixed

up with lots of vinegar and

salt, which of course Tabasco

I HATE VINEGAR!

Ninja would very dislike!

Then, Tabasco ninja got packed into
50-gallon white oak barrels!

After getting fermented
(which took a loooong time)
Tabasco Ninja got packed
into yet another container,
but this time it was a cologne
bottle instead!

GET ME OUT OF HERE!!!

FUN FACT:

THE FIRST BATCH OF TABASCO SAUCE WAS PUT
INTO 350 COLOGNE BOTTLES

Tabasco ninja was so
angry that he
Nearly melted the
cologne bottle!

GET ME OUT!!

Ahh! Finally finished!

As Tabasco Ninja tried head-butting his way out, the man tried selling bottles of Tabasco.

CLANG!!! Oww! I guess head-butting doesn't work...

Tabasco sauce for \$1 each!

FUN FACT:

THE SAUCE USED TO BE
SPELLED "TOBASCO" BUT NOW
IT'S SPELLED "TABASCO"

Is it good?

It's good, try it!

More and more people came to buy the sauce as the news spread, and Tabasco ninja became angrier.

It's spicy, but it's worth it!

I want 2,000!!

I need 3,000!!!

Give me 1,000!

OK!!!

At first, Tabasco Ninja was angry, but he soon realized that he was really popular! Instead of being angry, he was proud that he could make people happy by bringing a delicious spicy taste to their table.

FUN FACT:

EVEN THOUGH THE SAUCE
WAS MADE IN THE 1870'S
IT IS STILL VERY POPULAR TODAY!
