SECRETARY OF STATE

1 AN ACT Relating to the existence of the Supreme Ruler of the
2 Universe; and adding a new chapter to Title 1 RCW.

3 BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** (1) The purpose of this act is to defend
5 the liberty of the people of the state of Washington. According to the
6 founding documents of our democratic society, the United States
7 Declaration of Independence, the Constitution of the United States, and
8 the Constitution of the state of Washington, the purpose of our
9 government is to secure the liberties of the people which are governed.
10 According to these documents, our liberties have been endowed by a
11 higher power.

12 (2) This act is not about morality, or personal faith, or freedom of
13 thought. It is not about what individual citizens choose to believe or
14 disbelieve. It is not about repealing the First Amendment, denying the
15 citizens of this state their constitutional right to free speech,
16 prohibiting the free exercise of religion, or respecting an
17 establishment of religion. It is not about limiting the rights of
18 individual citizens; rather, it is about requiring our government to do
19 its job, to protect our liberty, a liberty which has been endowed by our
20 Creator, the one responsible for Blessing us, The Supreme Ruler of the
21 Universe.

22 (3) According to the founding documents of our democratic society,
23 the stated purpose of our government is to secure the liberties of the
24 people which are governed.

25 (a) Paragraph two of the United States Declaration of Independence
26 states, "That to secure these Rights, Governments are instituted among
27 Men, deriving their just Powers from the Consent of the Governed."

28 (b) The preamble to the United Sates Constitution states, "We the
29 People of the United States, in Order to form a more perfect Union,
30 establish Justice, insure domestic Tranquility, provide for the common
31 defense, promote the general Welfare, and secure the Blessings of
32 Liberty to ourselves and our Posterity, do ordain and establish this
33 Constitution for the United States of America."

34 (c) Section one of the Constitution of the state of Washington
35 states, "All political power is inherent in the people, and governments
36 derive their just powers from the consent of the governed, and are
37 established to protect and maintain individual rights."

38 (4) According to the founding documents of our democratic society,
39 our liberties have been endowed by a higher power.

40 (a) Paragraph two of the United States Declaration of Independence
41 states, "WE hold these Truths to be self-evident, that all Men are
42 created equal, that they are endowed by their **Creator** with certain
43 unalienable Rights, that among these are Life, Liberty and the Pursuit
44 of Happiness"

45 (b) The preamble to the United States Constitution states, "We the
46 People of the United States, in Order to form a more perfect Union,
47 establish Justice, insure domestic Tranquility, provide for the common
48 defense, promote the general Welfare, and secure the Blessings of
49 Liberty to ourselves and our Posterity, do ordain and establish this
50 Constitution for the United States of America."

51 (c) The preamble to the Constitution of the state of Washington
52 states, "We, the people of the State of Washington, grateful to the
53 Supreme Ruler of the Universe for our liberties, do ordain this
54 constitution."

55 In this nation, it is WE, the people, who are sovereign. Our
56 government has been instituted among us, with our consent, for the
57 purpose of protecting and maintaining our liberties. According to the
58 founding documents of our democratic society, our liberties are true and
59 valid because they are endowed by a higher power. By contending that a
60 higher power does not exist, our government removes the source of,
61 invalidates, and consequently denies we the people of the United States,
62 our liberty. Thus, by denying the existence of a higher power our
63 government defeats its purpose. It is therefore, unconstitutional for
64 the government, as opposed to the individual citizens, of the state of
65 Washington to deny or attempt to refute the existence of the Creator,

66 the one responsible for Blessing us with liberty, the Supreme Ruler of
67 the Universe.
