

INITIATIVE 317

I, Sam Reed, Secretary of State of the State of Washington and custodian of its seal, hereby certify that, according to the records on file in my office, the attached copy of Initiative Measure No. 317 to the Legislature is a true and correct copy as it was received by this office.

GOVERNMENT SHOULD BE RESPECTFULL OF CITIZENS NO MORE SELF-SERVING TACTICS

Be it enacted by the people of the State of Washington: That our present government should stop threatening the citizens with punishments of any kind. i.e. "Liter and it will hurt".

And that: **any language that suggests** that anyone that works for the government is protected more than the ordinary citizen should be stricken out of the books, i.e. "threatening a public employee is a "B" felony".

And that: **the recall process** should be a democratic process. It should be put in the hands of the citizens. We believe what exists today is not more than a self-serving process. In short, the people should vote the recall process.
