

INITIATIVE 366

I, Sam Reed, Secretary of State of the State of Washington and custodian of its seal hereby certify that, according to the records on file in my office, the attached copy of Initiative Measure No. 366 to the Legislature is a true and correct copy as it was received by this office.

1 AN ACT Relating to property taxes; amending RCW 84.55.050; adding
2 a new section to chapter 84.55 RCW; and creating new sections.

3 BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

4 **INTENT**

5 NEW SECTION. **Sec. 1.** The Home Owner's Protection Effort protects
6 taxpayers from our state's obscene and unsustainable property tax
7 burden by reducing and controlling property taxes. It is long overdue.
8 This measure reduces property taxes and requires voter approval at a
9 general election for property tax increases. This measure would not
10 affect any voter approved levies, including local school levies.

11 During these tough economic times, struggling working families and
12 senior citizens desperately need and deserve meaningful property tax
13 relief. Property taxes have skyrocketed for decades and politicians
14 have done nothing to address this very real problem. This measure also
15 provides a much-needed economic stimulus to our state's economy by
16 providing tax incentives to all businesses and individuals. This helps
17 everyone, both employers and employees. So, this measure ensures
18 meaningful tax relief, a big boost to our state's economy, and long-

1 overdue reform of government. It's a smart, balanced, reasonable
2 solution to our state's property tax problem.

3 **REDUCING REGULAR PROPERTY TAX LEVIES BY 1% BEGINNING IN 2007**
4 **(VOTER-APPROVED LEVIES, INCLUDING LOCAL SCHOOL LEVIES,**
5 **ARE NOT AFFECTED)**

6 NEW SECTION. **Sec. 2.** A new section is added to chapter 84.55 RCW
7 to read as follows:

8 (1) The regular property tax levy for each taxing district shall be
9 reduced by one percent of the levy amount that would otherwise be
10 allowed under this chapter without regard to this section beginning
11 with taxes levied for collection in 2007 and every year thereafter.

12 (2) Before applying the reduction in the property tax levy required
13 by this section, levies shall be set every year at the amount that
14 would otherwise be allowed under this chapter without regard to the
15 prior years' reductions provided for in this section. The yearly levy
16 reductions required by this section are not cumulative.

17 (3) This section does not affect voter-approved levies, including:
18 (a) The portion of any levy approved by the voters under RCW 84.55.050,
19 commonly called a "levy lid lift." The passage of a "levy lid lift"
20 does not exempt the nonvoter approved portion of the levy from the
21 reduction required by this section; (b) any levy approved by the voters
22 that is not exempt from this section under (a) of this subsection; and
23 (c) any excess levy, such as a local school district levy.

24 **REQUIRING VOTER APPROVAL AT A GENERAL ELECTION**
25 **FOR PROPERTY TAX INCREASES**

26 **Sec. 3.** RCW 84.55.050 and 2003 1st sp.s. c 24 s 4 are each amended
27 to read as follows:

28 (1) Subject to any otherwise applicable statutory dollar rate
29 limitations, regular property taxes may be levied by or for a taxing
30 district in an amount exceeding the limitations provided for in this
31 chapter if such levy is authorized by a proposition approved by a
32 majority of the voters of the taxing district voting on the proposition
33 at a general election held within the district (~~(or at a special~~
34 ~~election within the taxing district called by the district for the~~
35 ~~purpose of submitting such proposition to the voters)~~). This type of

1 property tax increase is commonly called a "levy lid lift." Any
2 election held pursuant to this section shall be held not more than
3 twelve months prior to the date on which the proposed levy is to be
4 made, except as provided in subsection (3)(b) of this section. The
5 ballot of the proposition shall state the dollar rate proposed and
6 shall clearly state any conditions which are applicable under
7 subsection (3) of this section.

8 (2) After a levy authorized pursuant to this section is made, the
9 dollar amount of such levy shall be used for the purpose of computing
10 the limitations for subsequent levies provided for in this chapter,
11 except as provided in subsections (3) and (4) of this section.

12 (3) A proposition placed before the voters under this section may:

13 (a) Limit the period for which the increased levy is to be made;

14 (b) Subject to statutory dollar limitations in RCW 84.52.043,
15 authorize annual increases in levies for any county, city, or town for
16 multiple consecutive years, up to six consecutive years, during which
17 period each year's authorized maximum legal levy shall be used as the
18 base upon which an increased levy limit for the succeeding year is
19 computed, but the ballot proposition must state the dollar rate
20 proposed only for the first year of the consecutive years and must
21 state the limit factor, or a specified index to be used for determining
22 a limit factor, such as the consumer price index, which need not be the
23 same for all years, by which the regular tax levy for the district may
24 be increased in each of the subsequent consecutive years. Elections
25 for this purpose must be held at a ((~~primary or~~)) general election.
26 The title of each ballot measure must state the specific purposes for
27 which the proposed levy increase shall be used, and funds raised under
28 this levy shall not supplant existing funds used for these purposes;

29 (c) Limit the purpose for which the increased levy is to be made,
30 but if the limited purpose includes making redemption payments on
31 bonds, the period for which the increased levies are made shall not
32 exceed nine years;

33 (d) Set the levy at a rate less than the maximum rate allowed for
34 the district;

35 (e) Provide that the maximum allowable dollar amount of the final
36 annual levy of the period specified in the measure shall be used to
37 compute the limitations provided for in this chapter on levy increases
38 occurring after the expiration of the period; or

39 (f) Include any combination of the conditions in this subsection.

1 (4) Except as otherwise provided in an approved ballot measure
2 under this section, after the expiration of a limited period or the
3 satisfaction of a limited purpose, whichever comes first, subsequent
4 levies shall be computed as if:

5 (a) The limited proposition under subsection (3) of this section
6 had not been approved; and

7 (b) The taxing district had made levies at the maximum rates which
8 would otherwise have been allowed under this chapter during the years
9 levies were made under the limited proposition.
