

**INITIATIVE 919**

I, Sam Reed, Secretary of State of the State of Washington and custodian of its seal, hereby certify that, according to the records on file in my office, the attached copy of Initiative Measure No. 919 to the People is a true and correct copy as it was received by this office.

1 AN ACT Relating to establishing the office of citizen councilor;  
2 and adding new sections to chapter 43.09 RCW.

3 BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** The legislature finds that:

5 (1) Freedom of speech, freedom of petition, and freedom of assembly  
6 are hollow rights if people feel unable to be heard.

7 (2) Freedom to be heard is not mentioned in the United States  
8 Constitution and thus is a right reserved to the people under the ninth  
9 amendment.

10 (3) The accounting profession has fully developed financial audits  
11 of tangible accounting for fraud but has not yet developed ways to  
12 measure intangible accounting of human assets such as the esprit de  
13 corps and stakeholder interests and concerns of citizens in their  
14 various roles as taxpayers, clients, patients, consumers, workers, and  
15 constituent members of organizations.

16 (4) The economic collapse of Enron and WorldCom and other similar  
17 economic experiences demonstrate that there is a need in society to  
18 continue to develop intangible accounting procedures of "compliance  
19 audits" and "performance audits," now performed by the state auditor,

1 and to develop new "social resonance audits" and "internal insourcing  
2 audits" of intangible accounting assets to allow all interested  
3 citizens to participate in the legitimating of private property and the  
4 free enterprise system and its economic and political institutions.

5 (5) The forum foundation is a nonprofit, educational research  
6 corporation of Washington state organized in 1970 to improve the  
7 functioning of organizations and society based on futures research and  
8 administrative theory conducted at the University of Washington from  
9 1968-70, continued at the church council of greater Seattle from 1971-  
10 90, recognized partially by 1993 Senate Resolution No. 8636 and fully  
11 documented in the book *The Leadership of Civilization Building*  
12 *(Administrative and Civilization Theory, Symbolic Dialogue, and Citizen*  
13 *Skills for the 21st Century)* by Richard J. Spady and Richard S. Kirby  
14 in collaboration with Cecil H. Bell, Jr.), 2002, available in Seattle,  
15 King County, University of Washington libraries and University and  
16 Elliott Bay bookstores, Seattle, and the Cokesbury bookstore in  
17 Kirkland.

18 (6) There is a need to create a citizen councilor network of small  
19 discussion groups, open to all citizens, self-funded, and using  
20 symbolic and sustainable dialogue to communicate among political and  
21 economic leaders and the people at large.

22 (7) Governments have been unable to discuss the merits of citizen  
23 participation and zeitgeist communication in a substantive manner to  
24 this date.

25 (8) The passage of Initiative Measure No. 695 in 1999, Initiative  
26 Measure No. 776 in 2002, and the defeat of Referendum Measure No. 53 in  
27 2002 are social indicators that governments, business, media, and  
28 community organizations need improved listening skills in order to  
29 substitute human responsibility for futile strife and hatreds.

30 (9) The governor has a constitutional responsibility to administer  
31 state affairs, the legislature has a constitutional responsibility to  
32 enact legislation in the state, and citizens have a political right to  
33 be heard and enabled to participate viably with their opinions in their  
34 organizations, institutions, and governments in the state in a process  
35 of building social capital through both bonding and bridging dialogue  
36 and improving community mental health and happiness, one of the goals  
37 of all governments, for "life, liberty, and the pursuit of happiness."

38 (10) The Washington state auditor has a constitutional  
39 responsibility and independently serves the citizens of Washington by

1 promoting accountability, fiscal integrity, and openness in state and  
2 local government. The approach of an auditor's work is constantly  
3 professionally evolving through new administrative theories involving  
4 the use of new symbolic dialogue, in social resonance audits and  
5 internal insourcing audits of intangible human assets along with  
6 regular financial, compliance, and performance audits as done in  
7 Washington and other states. Furthermore, in working with these  
8 governments in partnerships, the auditor strives to ensure the proper  
9 use of public resources to enable its citizens to more clearly envision  
10 their future in the theme, "Washington, an inspirational state in  
11 pursuit of happiness!"

12 (11) More than two thousand four hundred local governments of  
13 thirty-three different types and one hundred sixty-eight state  
14 agencies, colleges, universities, boards, and commissions are  
15 administered and audited for fiscal accountability of roughly eighty-  
16 four billion dollars annually. Furthermore, as relationships are in  
17 partnerships with governments, the state auditor reports are  
18 constructive management tools for them to use.

19 (12) Accountability is a goal both of administration and auditing,  
20 but accountability is fundamental to the work of the state auditor as  
21 audits touch heavily on legal compliance with state laws and rules and  
22 governmental entities' own policies and ordinances.

23 (13) Similar experiences in other states including Texas, Colorado,  
24 Oregon, and Utah have been positive to create a public forum to restore  
25 citizens' trust in their governments, expand social capital, and  
26 improve community mental health.

27 (14) Washington has long been recognized as a precursor state in  
28 social and economic innovation. It was the only state that emerged  
29 from the national bicentennial celebration in 1976 to use the last of  
30 its resources from royalties to fund ongoing programs in citizen  
31 participation. Washington was able to discern that it was not quite  
32 volunteerism they were after in the statement: "Give me your body,  
33 your hands, your time." Rather Washington was more interested in the  
34 theme, "give me your mind," which was significantly different.  
35 Furthermore, our nation is now on the verge of major discoveries in  
36 social science and some of the major discoveries have been occurring  
37 here in Washington state and the greater Seattle area by the forum  
38 foundation and was recognized as such in 1993 Senate Resolution No.  
39 8636. This recognition has been further augmented by publication in

1 2002 by the forum foundation of (a) *The Leadership of Civilization*  
2 *Building (Administrative and Civilization Theory, Symbolic Dialogue,*  
3 *and Citizen Skills for the 21st Century)* by Richard J. Spady and  
4 Richard S. Kirby with collaboration of Cecil H. Bell, Jr. of Seattle,  
5 and (b) *Society's Breakthrough! (Releasing Essential Wisdom and Virtue*  
6 *in All the People)* by Jim Rough of Port Townsend, and (c) acceptance of  
7 the fast forum technique by the Washington association of churches to  
8 inaugurate research in a youth religious councilor network.

9 (15) It is natural in our democratic republic that the citizens of  
10 Washington state be invited to participate in its governing processes  
11 within their time and energy levels in the exercise of their political  
12 rights whenever possible and help the governor, legislature, and the  
13 state auditor in their constitutional responsibilities to administer,  
14 legislate, and monitor all governments, public entities, and public  
15 funds.

16 NEW SECTION. **Sec. 2.** The legislature recognizes that some  
17 citizens have difficulty accessing political processes that rely on  
18 public hearings held at locations that are often distant or held at  
19 inappropriate times from their residence or workplace. To increase  
20 public participation in the political process, the legislature intends  
21 to establish and support a self-funding pilot process in cooperation  
22 with the state auditor and the secretary of state by which citizens can  
23 receive information about public issues and provide feedback to elected  
24 officials in a convenient, timely manner and local setting.

25 NEW SECTION. **Sec. 3.** (1) The office of citizen councilor is  
26 created in accordance with section 13 of this act. Any citizen  
27 registered to vote, or who lives or works in Washington but is not a  
28 registered voter, who volunteers to act as an official government  
29 advisor may become a citizen councilor on request by sending a letter  
30 to the state auditor or by calling a special toll-free number and  
31 subscribing to a nominal fee as set by the state auditor to recover  
32 substantially the direct costs from citizen participation in the  
33 program. The indirect costs of public officials, university, and  
34 government employee participation to provide information to citizen  
35 councilors in their dialogues and deliberations shall be borne by the  
36 government entity or university participating. Citizen councilors  
37 shall act collectively as official advisors or a sounding board for the

1 governor, the legislature, the state auditor, or other public officials  
2 and agencies such as the department of community, trade, and economic  
3 development on issues of public interest or concern. Conveners of  
4 citizen councilor groups shall be those designated by the citizen  
5 councilor coordinator or deputy citizen councilor coordinator under  
6 sections 7 and 8 of this act from among citizen councilors who  
7 volunteer to host a group. Every effort shall be made to assign  
8 citizen councilors to a group that meets at a convenient time and place  
9 for those participating. Meetings will usually be in small groups  
10 meeting in related resident or work area zip codes.

11 (2) Citizen councilors may participate:

12 (a) In a citizen councilor group of approximately eight to twelve  
13 persons organized by residence or work area zip code with the  
14 assistance of the citizen councilor coordinator;

15 (b) In a citizen councilor organizational group under sections 9  
16 and 10 of this act; or

17 (c) As an individual if the individual is unable to attend meetings  
18 in groups due to age, disability, remote location, or personality  
19 conflict.

20 (3) Citizen councilors will be reassigned a group on request to  
21 assure that their group meeting place, time, and makeup is convenient  
22 and compatible, or the citizen councilor coordinator may make  
23 individual assignments of a councilor when deemed necessary.

24 (4) For the purposes of this section and sections 4 through 13 of  
25 this act, "councilor" means an official advisor to a sovereign or chief  
26 magistrate.

27 NEW SECTION. **Sec. 4.** (1) The state auditor shall prepare by March  
28 1st of each year a citizen councilor network opinionnaire as a social  
29 resonance audit using the fast forum technique as developed by forum  
30 foundation research. This initial opinionnaire shall be based on the  
31 state of the union address of the president of the United States  
32 together with a few "performance audit" questions posed by the state  
33 auditor if required and consist of four pages of approximately twenty-  
34 three to thirty questions. In addition, legislators from each  
35 legislative district may submit to the state auditor by February 1st a  
36 list of approximately twenty to twenty-seven questions to be appended  
37 to the state of the union questions for response of citizen councilors  
38 in their own district unless preempted by the governor's state of the

1 state address opinionnaire. The state auditor may append questions in  
2 a district if the legislators of a district do not do so. If district  
3 legislators cannot agree together on the questions to be submitted,  
4 then each senator shall get one-half the space available as determined  
5 by the state auditor and each representative shall be given one  
6 quarter. The state auditor or the state auditor's representative may  
7 edit all questions submitted for grammar and style with the overall  
8 opinionnaire format.

9 (2) The governor may prepare by March 15th of each year a citizen  
10 councilor network opinionnaire to be administered by the state auditor  
11 and using the fast forum technique as developed by forum foundation's  
12 research. The opinionnaire shall be based on the state of the state  
13 address or other concerns of the governor and consist of four pages of  
14 approximately twenty-three to thirty questions with editing by the  
15 state auditor to assure a style consistent with the state of the union  
16 address or typical yes/no, multiple choice, Likert, or end-anchor value  
17 questions used by the fast forum technique. In addition, legislators  
18 from each legislative district may submit to the state auditor by the  
19 end of April a list of approximately twenty to twenty-seven questions  
20 to be appended to the state of the state questions for response of  
21 citizen councilors in their district. The state auditor may append  
22 questions in a district if the legislators of a district do not do so.  
23 If district legislators cannot agree together on the questions to be  
24 submitted, then each senator shall get one-half the space available as  
25 determined by the state auditor and each representative shall be given  
26 one-quarter. The state auditor or the state auditor's representative  
27 may edit all questions submitted for grammar and style with the overall  
28 opinionnaire. If the governor does not prepare a citizen councilor  
29 network opinionnaire by March 15th, the state auditor will convene a  
30 citizen's wisdom council to select the issue or issues for  
31 consideration partially based on concepts in the book *Society's*  
32 *Breakthrough! (Releasing Essential Wisdom and Virtue in All the*  
33 *People)*, 2002, by Jim Rough of Port Townsend in accordance with  
34 sections of this act.

35 NEW SECTION. **Sec. 5.** (1) On request of the state auditor, the  
36 secretary of state shall select a citizen's wisdom council composed of  
37 twelve statewide registered voters selected randomly by lot using  
38 public lotto-type mechanical drawing procedures to symbolically

1 represent the people of the state of Washington and ascertain that all  
2 selected are willing to participate and to make random replacements if  
3 necessary.

4 (2) In any event, the state auditor shall convene a citizen's  
5 wisdom council annually and appoint a facilitator to the council who is  
6 experienced in helping diverse people reach unanimous conclusions on  
7 difficult topics. The purpose of the citizen's wisdom council is to  
8 create the next agenda for the citizen councilor network. Before  
9 adjournment, the citizen's wisdom council will prioritize their  
10 statements generated concerning the agenda for the state auditor by  
11 consensus or failing that by majority rule. The state auditor shall  
12 establish policies and procedures for convening the citizen's wisdom  
13 council, and will promote widespread media coverage of the event.  
14 Results of the citizen's wisdom council at its conclusion will be  
15 presented in a public ceremony.

16 (3) The expenses and standard per diem allowances for legislators  
17 will be provided to the members of the citizen's wisdom council for  
18 their work and a professional honorarium will be paid to the  
19 facilitator under sections 11, 12, and 13 of this act.

20 (4) The state auditor will assign the topics and priority of the  
21 citizen's wisdom council to the citizen councilor coordinator for  
22 development of an opinionnaire and supportive materials by one or more  
23 value reporters in accordance with section 6(2) of this act and effect  
24 the social resonance audit and internal insourcing audit of the  
25 symbolic dialogue network.

26 NEW SECTION. **Sec. 6.** (1) Other than the state of the union, state  
27 of the state, and citizen's wisdom council opinionnaire and materials,  
28 the state auditor shall determine suggested issues for public dialogue  
29 and deliberation in social resonance and internal insourcing audits  
30 approximately quarterly but not more than monthly from suggestions  
31 received from the governor, the legislature, state and local public  
32 officials, agencies, counties, municipalities, and individual citizen  
33 councilors and recommend an appropriate issue or issues for  
34 consideration by the citizen councilor network to a steering committee  
35 and under subsection (2) of this section. An advisory citizen  
36 councilor steering committee shall be composed of the following  
37 nonvoting members: (a) A representative from the governor's office;  
38 (b) legislative members: One member of the minority party and one

1 member of the majority party from each house of the legislature; (c) a  
2 representative from the superintendent of public instruction; (d) a  
3 representative from each county; (e) a representative from each  
4 regional government; (f) a representative of higher education; (g) a  
5 representative from the association of Washington cities; (h) a  
6 representative from any organization participating with over fifty  
7 groups of eight to twelve persons under section 10 of this act; (i) the  
8 citizen councilor coordinator and deputy citizen councilor coordinator  
9 selected as provided in section 7 of this act; and (j) others invited  
10 by the state auditor. All will serve without remuneration except if  
11 expenses are provided otherwise by law by their own agency to public  
12 persons attending. Travel expenses may be provided on request to  
13 steering committee members if funds are available at the sole  
14 discretion of the citizen councilor coordinator or deputy citizen  
15 councilor coordinator.

16 (2) After consideration and advice by the members of the steering  
17 committee, the state auditor, as an elected public official, shall  
18 determine and assign the issue or issues approved for discussion to the  
19 volunteer citizen councilor coordinator for preparation and  
20 implementation by value reporters and others, except that the first  
21 meeting of a group will be an orientation meeting prepared by the state  
22 auditor unless the group was organized and already functioning under  
23 the auspices of the Washington association of churches or others before  
24 the effective date of this act. Value reporters assigned to gather  
25 information on issues shall be careful to present all issues as  
26 evenhandedly as possible, taking care to present the generally  
27 prevailing viewpoints surrounding an issue or issues from experts,  
28 officials, scholars, and others in an effort to provide the public with  
29 information needed for discussion. Value reporters shall represent the  
30 people's right to know and will conduct interviews of experts,  
31 officials, scholars, and others to solicit their various viewpoints and  
32 record such interviews on audio or videotape for later reproduction and  
33 distribution to citizen councilor groups. Before any materials are  
34 released to citizen councilor groups, however, persons interviewed and  
35 taped shall approve their taped interview for release or complete  
36 another interview to their satisfaction, otherwise their statement  
37 shall not be included in materials sent to citizens.

38 (3) The state auditor shall refer the public information material  
39 prepared by the citizen councilor coordinator, deputy citizen councilor

1 coordinator, and their staffs to the steering committee for its review  
2 and recommendations. The governor for the state of the state address  
3 and the state auditor for all other opinionnaire materials shall make  
4 the final determination of all opinionnaire materials distributed to  
5 citizen councilors.

6 NEW SECTION. Sec. 7. The offices of citizen councilor coordinator  
7 and deputy citizen councilor coordinator are created within the office  
8 of the state auditor. The state auditor shall appoint the citizen  
9 councilor coordinator and deputy citizen councilor coordinator with the  
10 advice of the steering committee, if available. The citizen councilor  
11 coordinator and deputy citizen councilor coordinator shall serve at the  
12 pleasure of the state auditor, until terminated with the approval of  
13 the steering committee, and shall be citizen volunteers and serve  
14 without compensation, but shall be reimbursed for actual expenses  
15 incurred in carrying out their duties under sections 1 through 13 of  
16 this act as funds for subscriptions and donations are available.

17 NEW SECTION. Sec. 8. The citizen councilor coordinator and deputy  
18 citizen councilor coordinator shall:

19 (1) Promote to the citizens of the state and northwest region the  
20 citizen councilor program and its contribution to public and private  
21 planning processes;

22 (2) Oversee preparation, tabulation, summarization, and  
23 dissemination of data and information by the government and volunteer  
24 staff;

25 (3) Receive, on behalf of the citizen councilor revolving fund,  
26 gifts and donations of real or personal property, including cash and  
27 in-kind services;

28 (4) Hire a value reporter and other paid staff to assist the  
29 volunteer staff if funds are available;

30 (5) Contract for any services including without limitation a toll-  
31 free telephone number and answering service, keying, optical scanning,  
32 computer tabulation, recording, reporting, research, consulting,  
33 printing, and mailing to carry out sections 1 through 13 of this act;

34 (6) Solicit volunteers to assist in administering the program from  
35 community service, educational, civic, business, religious, and other  
36 organizations;

37 (7) Solicit citizen councilor groups from existing organizations;

1 (8) Solicit individual citizen councilors to participate in local  
2 groups organized by mutual convenience usually within the same  
3 residence or work zip code area;

4 (9) Assign value reporters to interview scholars, experts, public  
5 officials, planners, leaders, and others on tape concerning topics of  
6 discussion assigned by the state auditor;

7 (10) Produce audio or video cassette tapes, or both, and printed  
8 materials as evenhandedly as possible;

9 (11) Mail or distribute by e-mail public information materials to  
10 citizen councilor communicators for conveners or individual citizen  
11 councilors, or both, after final approval by the state auditor;

12 (12) Provide, at cost, group mailing labels of its own conveners  
13 and communicators on request of an organization participating or to a  
14 county, regional government, municipality, or school district if a  
15 private iteration of their own constituents is desired at their own  
16 time and expense;

17 (13) Use machine-scan, interactive telephone, or computer  
18 technology, or all three, to record citizen councilor responses and  
19 tabulate data;

20 (14) Mail or post on a web site organizational, community, school,  
21 business, or church profiles to the leaders of such participating  
22 organizations for their information and without cost when they have  
23 over fifty groups responding statewide. Such information shall be  
24 filed for public review;

25 (15) Prepare summary reports of percentage responses and  
26 polarization-consensus and modified polarization-consensus ratings of  
27 data generated and press releases and post the data for public analysis  
28 on a web site when the technology is available;

29 (16) Mail or e-mail summary reports and other information to all  
30 citizen councilor conveners for their groups and to participating  
31 organizations, and to those public officials who have indicated to the  
32 citizen councilor coordinator that they are interested; and

33 (17) Maintain data generated for public and media reference in the  
34 state auditor's office and/or posted on a web site for public access.

35 The secretary of state will cooperate with the state auditor on  
36 request by providing information on initiatives, referendums, and the  
37 Washington state voters' pamphlet for the consideration of the citizen  
38 councilor network in their dialogues and deliberations.

1        NEW SECTION.    **Sec. 9.** The citizen councilor coordinator shall  
2 actively encourage citizen councilor groups to form throughout the  
3 state. Citizen councilor groups shall usually consist of a minimum of  
4 four and a maximum of twelve regularly assigned members and meet on  
5 call of their convener at times and places they deem most appropriate  
6 during a thirty-day or other designated time period. Citizen councilor  
7 groups might normally meet approximately two or three times per year on  
8 state issues, one or two times on county or municipal issues, and one  
9 time on federal issues in response to the president of the United  
10 States through the state of the union address. They shall have the  
11 opportunity to listen to audio or videotapes articulating an issue of  
12 public interest or concern and study other materials prepared or  
13 authorized as described in section 4 of this act. Citizen councilors  
14 shall have the opportunity to respond anonymously making their opinions  
15 known on individual mark-sense response sheets or other interactive  
16 response technology for return to the citizen councilor coordinator for  
17 tabulation and report.

18        NEW SECTION.    **Sec. 10.** Four through twelve citizens from  
19 organizations such as, but not limited to, community service, civic  
20 associations, cooperatives, unions, religious, business, or school  
21 district groups may enroll as an organizational group with their own  
22 communicator and convener designated. An organizational profile report  
23 shall be provided to the leaders of organizations with fifty or more  
24 groups without cost to inform them of how their members responded to  
25 public issues posed as approved by the state auditor and others and  
26 shall be open to public inspection in the office of the state auditor  
27 or posted on a web site for public analysis. If additional profiles or  
28 services are requested by an organization of its own constituents, the  
29 policy, rules, and fees to cover such costs shall be paid separately.  
30 Organizations with fifty or more groups may purchase mailing labels of  
31 their group conveners and communicators from the state auditor and  
32 prepare and mail their own group materials for tabulation at their own  
33 effort and expense. These data shall not be tabulated by the citizen  
34 councilor coordinator and shall not be combined with the public data  
35 nor available for public inspection at the office of the state auditor.

36        NEW SECTION.    **Sec. 11.** (1) Each citizen councilor shall be asked  
37 to make donations from time to time to help cover the costs of the

1 citizen councilor program estimated at ten dollars per person per year  
2 at present costs. It is also the intention of the state auditor that  
3 donations and gifts be solicited from public-spirited individuals,  
4 businesses, and foundations to assist in the funding of the program and  
5 to provide scholarships to unemployed or low-income citizens. However,  
6 since all direct costs of this program are provided by donations and  
7 subscriptions with no funds from public sources, the citizen councilor  
8 coordinator shall use his or her discretion in determining the scale  
9 and the scope of the program so that expenses do not exceed available  
10 funds.

11 (2) Libraries will be encouraged to participate and allow citizens  
12 who are not members of a citizen councilor group to respond to the  
13 state of the union opinionnaire with appended questions by district  
14 legislators as well as state of the state with appended questions and  
15 wisdom council opinionnaires. A citizen may purchase a forum  
16 foundation machine-scannable response sheet from a library at a price  
17 to cover the direct costs to the library plus an amount to cover  
18 indirect costs. Current costs are twenty-five cents per sheet direct  
19 cost to an organization that includes scanning and tabulation of data  
20 plus sales tax, postage, and handling plus an allowance to the library  
21 to cover its indirect costs of administration which may result in fifty  
22 cents to one dollar cost per sheet for the citizen responding in a  
23 library or other facility approved by the state auditor, e.g., a coffee  
24 house.

25 NEW SECTION. **Sec. 12.** A citizen councilor revolving fund is  
26 created and shall consist of donations and subscriptions collected  
27 under sections 1 through 13 of this act and any moneys appropriated to  
28 it by law for specific purposes. The state treasurer shall be  
29 custodian of the revolving fund. Disbursements from the revolving fund  
30 shall be on authorization of the citizen councilor coordinator or  
31 deputy citizen councilor coordinator. In order to maintain an  
32 effective expenditure and revenue control, the citizen councilor  
33 revolving fund shall be subject in all respects to chapter 43.88 RCW,  
34 but no appropriation is required to permit expenditures and payment of  
35 obligations from the fund.

36 NEW SECTION. **Sec. 13.** (1) The state auditor shall establish the  
37 office of citizen councilor and will provide the citizen councilor

1 coordinator and his or her volunteer staff with space in existing  
2 offices. Appropriations are not required, but the state auditor may  
3 consider the services provided under this section in submitting its  
4 budget.

5 (2) The citizen councilor coordinator shall seek donations from  
6 citizen councilor organizational groups, citizen councilors, public-  
7 spirited individuals, community service organizations, businesses, and  
8 foundations to help cover the costs of the program. When ten thousand  
9 dollars in donations have been received, the state auditor shall  
10 authorize the citizen councilor coordinator to establish a toll-free  
11 telephone number and answering service to develop a list of the names,  
12 addresses, and telephone numbers of persons and groups interested in  
13 serving as citizen councilors, citizen councilor communicators and/or  
14 conveners, and communicators and conveners in citizen councilor  
15 organizational groups, or in making donations. Whenever possible, the  
16 names, addresses, and legislative districts of registered voters  
17 maintained by the secretary of state shall be copied to reduce costs of  
18 the state auditor while increasing accuracy of the citizen councilor  
19 records. When ten thousand dollars in additional donations have been  
20 received, the citizen councilor coordinator may initiate the new

22 and continue it at a scope and scale that is supportable by the  
23 resources available.

24 (3) In the event the program under sections 1 through 13 of this  
25 act fails to support its direct costs and is necessary to be terminated  
26 by the state auditor, funds remaining after payment of all outstanding  
27 expenses and disposal of equipment and supplies owned shall be  
28 deposited in the general fund.

30 pioneering and have never been used at the state level before in an

32 of esprit de corps and the concerns and interests of stakeholder  
33 citizens. The state auditor, as an elected public official and  
34 constitutionally charged to monitor state government and perform  
35 appropriate tangible asset financial audits and intangible asset  
36 compliance, performance, social, and internal audits, shall be given  
37 the widest discretion possible in resolving problems that might arise  
38 in administration of this new professional technology project if  
39 necessary.
